Dear Mr Adams

I would like to conclude by expressing on my behalf, as well as that of the Board of Casa Caritas, our most grateful thanks for your donation of R5000-00.

In times like this it is no easy task to find people who care that much for the disabled, by donating or helping us to find solutions to raise money for our home.

This donation ensures that Casa Caritas continues to provide the right environment for our handicapped children.

Be assured that this gesture is much appreciated.

With sincerest thanks

Maggie Coetzee
Chief Executive Officer
